Recently with the closures of the schools many families were impacted with no daycare,

As of Monday March 16th, we have opened our doors to help The Walden Daycare with this situation.

Our clubhouse will be closed to the public from:

All business or golf inquiries  can still be done by phone (705-692-5502) or email.

The health and well-being of our members, guests and staff have always been one of our highest priorities here at the Lively Golf Club and going into the next few weeks/months please be aware and safe.

The best way to prevent the spread of infections is to:

- wash your hands often with soap and water for at least 20 seconds;
- avoid touching your eyes, nose or mouth, especially with unwashed hands
- avoid close contact with people who are sick
- cough and sneeze into your sleeve and not your hands
- stay home if you are sick to avoid spreading illness to others

Take care from all of us here at the LGC
